

Versatility, Soundness and Longevity with an Electrifying Turn of Foot

JERANIMO

Soundness, Speed, Stamina - Introducing Jeranimo!

After his record setting third San Gabriel Stakes win at age 8, **Jeranimo** has been retired from racing and is standing at stud at Tommy Town Thoroughbreds, California's premier breeding farm in the lush Santa Ynez Valley.

Jeranimo had an electrifying turn of foot that made him well suited at coming from off the pace, capable of covering the final furlong in 11.2 seconds. The durable and versatile **Jeranimo** won 8 Grade I and II Stakes on and off the turf. **Jeranimo** ran world class times winning the 1 1/8 mile San Gabriel 3 times in as fast as 1:46.5; 1 1/8 mile Eddie Read Handicap in 1:45.8; Shoemaker Mile in 1:33.9; 1 1/16 mile Seabiscuit Handicap in 1:40.8; Oak Tree Mile in 1:32.6; and 1 1/8 mile Strub Stakes in 1:47.8. **Jeranimo** raced in 3 Breeders' Cup races - the 2011 and 2012 Breeders' Cup Turf Mile and the 2013 Breeders' Cup Turf Sprint.

Jeranimo is a stallion with a world-class race record that will pass on versatility, soundness, and longevity with an electrifying turn of foot. He is being offered at \$5,000, live foal guarantee.

"If they ranked horses for soundness, I guarantee he'd be No. 1 in the country. He's an absolute throwback to horses of years ago."
